After You've Gone

By CREAMER & LAYTON

Chorus
After you've gone
and left me crying
After you've gone
There's no denying
You'll feel blue
You'll feel sad
You'll miss the kiss and hug you've had
There's only one thing
more left for me to do
When you're gone
Oh! Babe,
Think what you've done
you know my love for you will drive me to the sea
